Thank you! I'll come up at 10:30 (or as close as I can get after I escort the visitors to the elevator).

Hi Nancy,

Yvette and myself will both be at our cubes at 10:30 and Yvette has an 11, so that window can work.

Talk soon,

Hi Yvette and Sandra,

Dan Kenny and I have been tasked with developing some bullets on the issue of dicamba (presumably the discussion at the recent SFIREG meeting) and the proposed path forward? I have a meeting from 9:30 – 10:30. Could I come up to talk with you all after that to get your input?

Dan/Nancy,

Can you all work together to put something together? Also, since this is about the state calls from last year on dicamba, you may want to engage Sandra to assist as well.

Mike is at the SAP this morning, and Dan should be in shortly. Is it possible to have something before noon that they can react to?

The OCSPP-IO saw the attached article (<https://www.dtnpf.com/agriculture/web/ag/crops/article/2019/06/04/states-threaten-cut-communication>) and would like to discuss the issue during today's OPP General. Can we get some quick bullets on the issue and the proposed path forward? The General is at 3pm; we'll need something by 2:30pm. Sorry for the short turnaround.
